RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

Attached hereto is a Notification of Missing Requirements under 35 USC 371, mailed June 27, 2002. The missing requirement is alleged to be an improper translation of the application into English, on the basis that "[t]he text in the drawings has not been properly translated."

Also attached hereto is a copy of the drawings as filed upon entry into the National phase. On each page of the drawings, there is a translation of the German terminology. In particular, in Figure 1, the term "objektiv" has been translated at the bottom of the page as "lens, objective" and

the tern "scharfebene" has been translated as "sharpness level." In Figure 2, the term "Kontrast" has been translated as "contrast."

Accordingly, the text in the drawings has been properly translated and the translation of the application is therefore not defective. Specific withdrawal of the Notification of Missing Requirements is requested.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Ira J. Schultz', with a stylized flourish at the end.
